The insurance premium paid by the association. It is only possible to insure the musical instrument, which is used for performances by SBOP. If a change or sale of the reported instrument takes place, this must be reported immediately to the association, otherwise the insurance cover will be extinguished.

In case of claims and subsidy applications, please provide the original invoice with a copy of the account statement that shows the transfer for short-time inspection.

Increases in value due to general overhauls must also be reported immediately, otherwise there is underinsurance and the insurance company will not pay the full amount in the event of a claim.

I assure that the above information is correct. In the case of incorrect information, the insurance is void.
